### **Southbourne Crossroads Community Garden**

We had a fabulous weekend on 16 and 17 June to launch the Community Garden Project with lots of fun activities for all. The weather was not particularly kind, but we made a start on clearing the area, removing dead vegetation and litter. We will hold more gardening sessions, dates to be announced once the weather gets a bit more settled!

**Don't forget many classes and activities are continuing at The Hub over the summer. Contact teachers (details on our website) directly if you are coming to an activity for the first time.**
